

THE BLOOMSBURY CLUB

LOST SOUND SESSIONS

Deeply in tune with the rhythm of nature, join us on a sensory journey as we invite you to explore the relationship between sound and taste...

Along with our friends at The Lost Explorer Mezcal, we have created a balanced but bold menu of mezcal cocktails and tantalising bar bites inspired by the sun scorched sierras of Oaxaca. Bringing a touch of Mexico's rich vibrancy to the heart of London, immerse your senses as you sit back and enjoy our curated series of live music sessions.
