THE BLOOMSBURY CLUB

A hundred years ago, in the neat squares that surround this hotel, a pioneering group of friends carved out new ways to live, work and think. This bohemian collective of writers, artists and intellectuals rejected all Victorian formalities and created a world brimming with colour and life. Bright rooms painted in eclectic patterns buzzed with chatter and debate as art studios became evening salons became all-night gatherings. Above all else, the Bloomsbury Group prized freedom – freedom to live, to love, to work, to think, in whichever way you chose. Bloomsbury became a place to create yourself, a place of story and transformation.

The spirit of the Bloomsbury Group has never left. These squares are still abuzz with creativity and new ideas. Independent shops, galleries and performance spaces jostle with museums, libraries and centres of learning. It is a place to discover, and be discovered. To become the person you wish to be. The Bloomsbury Club seeks to conjure up that indomitable spirit, inviting people of all backgrounds into a space where creativity and connection collide, where anything can and will happen, and where you find magic in the middle of the city. Playful menus, hidden curiosities and bright splashes of original artwork inspired by the Bloomsbury aesthetic usher their ethos of bright kinship into new circles, a century later.
